

BICKFORD JAZZ SHOWCASE

Full Count Big Band

The **Full Count Big Band** closes the Jazz Summerfest series with selections from their vast collection of swing standards. Their "book" is vast and growing, with 5000 tunes from which to select, meaning every appearance can be quite different.

They can cover the best of the Goodman, Ellington, Shaw, Miller, Dorsey libraries and more, including some extensive Count Basie material, plus some hard driving Buddy Rich and Maynard Ferguson charts. Last year's inaugural Bickford visit drew warm appreciation from fans.

This is a full 18 piece aggregation, an extensive collection of reeds and brass on risers, backed by a matchless rhythm section. Their vocalists on this visit will be **Jackie Jones** and **Frank Noviello**, and the program will be slightly "jazzier" than last year's.

They've made a hit at jazz clubs (such as Trumpets), dance halls (such as The Crossroads) and even large concert venues (such as NJPAC). Their return this summer will take advantage of the fine acoustics and unimpaired sightlines of this comfortable room.

PM), and are priced at just \$15 advance and \$18 at the door (and no fees!). Call the Box Office at (973) 971-3706 to order tickets by phone and save time at concerts. Tickets held at express window.
